There are no 1 Day gate prices listed.  
With the new "Teired" pricing strategy there are many.  
Please see the information attached for those prices involved.  
At this time our 1 Day products are good on any day.

Ticket expiration dates are 31 December 2018.  
However, keep in mind, for the multi day products this would be the last valid day for activation.  
Given the 13 day usage window, their expiration would actually be 13 January 2019.
