

Outdoor Recreation Swimming Season - 2009

Pool Rules

No person shall be permitted to use the pool without first having used the toilet and taken a shower with soap and warm water.

No person having an obvious communicable disease; skin eruption; cut, sore, or any lesion; or eye, ear, nose, or throat infection shall be permitted to use any public swimming pool.

Spitting or spouting of water, blowing the nose, or any similar activities in the swimming pool are prohibited.

Running, pushing, dunking, boisterous, or rough play (except supervised water sports) is not permitted in the pool area, deck, or the dressing/shower rooms.

Swimsuits are required for everyone entering the pool area. No cut-offs. No shoes on deck. Only all white T-shirts allowed.

Profanity will not be tolerated.

Suntan lotion and sunscreen allowed (*NO suntan oil*).

Snorkels or fins are not allowed in the main pool.

No diving except in designated areas.

Smoking/tobacco, food, beverages, gum, alcohol, or glass containers are not allowed in the pool, pool enclosure, or bathhouse area (non-breakable water containers allowed).

Do not distract or visit with the lifeguards while on duty.

We are not responsible for loss/theft of personal belongings.

Children 10 years of age or younger must be directly supervised by an individual who is at least 16 years old and has completed the American Red Cross Babysitting Training Course and have the certificate on file at the local pool; the individual must have written authorization from parents of the children to seek medical care for them if necessary, and must have a contact phone number for the parents. Otherwise the individual must be 18 years old.

Children not toilet trained must wear snug-fitting plastic pants or swim diapers.

Lifeguards are not posted at the wading (baby) pool. *Parents/guardians are responsible for supervising their child in the wading pool.* Lifeguards are on-duty to enforce rules and respond to emergencies.

Parents/guardians can leave children ages 11-13 unattended **ONLY** if they can demonstrate the ability to swim at least 12 meters, tread water for one minute, and pull themselves from the water without using the pool ladder. If this is completed, they will be given a Completion Card to carry with them when they return to the pools.

Patrons of any age may be requested to depart the pool facilities for unsafe practices.

All pool toys must be approved by the Head Lifeguard. Diving rings and small, soft sponge balls *may* be allowed if used in a safe manner.

Whenever additional rules are deemed advisable for the proper conduct of the pool and the protection, health, and safety of the patrons, *the management is authorized to issue such rules*, either printed or verbal.

Tube Slide Safety Rules

Obey directions of the Lifeguards at **ALL TIMES**. Inappropriate and unsafe behavior on the deck, ladder, platform, and slide will **NOT** be tolerated.

Rider **MUST** be able to swim in deep water.

Only 1 rider is allowed on the slide at a time. All riders in line must stand on the deck until the lifeguard directs him/her to climb the ladder.

Enter tube slide and exit feet first, face up position **ONLY!** Stay seated or lying down in the slide. Running, standing, kneeling, rotating, tumbling, and stopping the slide are prohibited.

Rider must wait for the lifeguard's signal or direction to start.

Upon exiting from the slide, immediately swim to the closest ladder and exit the pool.

Rider **MUST NOT** wear eyeglasses, sunglasses, goggles, etc., on the slide.

Patrons with swimsuits that have metal rivets, buckles, buttons, key chains, safety pins, fasteners, etc., are **NOT** allowed on the slide.

To prevent collisions, swimmers are not allowed to swim in the tube slide area.

Use of the tube slide is not recommended for pregnant patrons. Patrons **MUST** consult a physician before using this tube slide.
