

## FY16 Civilian Tuition Assistance

FY16 Civilian Tuition Assistance (CivTA) funding will soon be available to pursue “mission-related” courses. Expect a robot email from AFPC once funds are available. The funding limit is 75% of tuition cost, as long as it doesn’t exceed \$3.5K per year, \$187.50 per semester hour, or \$124.50 per quarter hour. Also, funding must be approved prior to starting class and can’t be used to obtain a second Bachelor’s or Master’s degree, nor is it available for pursuit of doctoral programs. Further, TA funding will not be approved if employees are receiving other subsidies such as; GI Bill, Scholarships, Grants, etc. To be eligible, you must be a:

- GS-09 thru GS-15 and Equivalent Appropriate Fund Employees
- NAF Career Program Employees
- Permanent NF-III & Above specific feeder groups
- NAF Development Team participants

Once funds are available, submit requests through your Career Field Team (CFT) within the following timeframes:

- APF - Two Weeks Before Class Start Date
- NAF - 45 Days Before Class Start Date
- TA Must Be Approved Prior To Starting Class
- TA Can Only Be Used to Obtain your first Bachelor’s Degree, or first Master’s Degree

Review the table below, and contact your CFT for further guidance.
