MEMBERS OF PRIVATE ORGANIZATION _____, PLEASE READ THIS **IMPORTANT INFORMATION RELATED TO YOUR MEMBERSHIP** IN THIS PRIVATE ORGANIZATION

You must read AFI 34-223 *Private Organizations* in its entirety. By signing below, you acknowledge that you have read this AFI in its entirety.

In accordance with AFI 34-223, paragraph 10.11, this PO must have liability insurance to protect against claims and/or lawsuits which may arise from the activities of the PO or its members, unless the Installation Commander (or delegate, 55 MSG/CC) waives this requirement.

55 MSG/CC may waive the requirement for continuous liability coverage, however he/she may still require liability insurance for specific events that involve greater risk of injury or damage. Insurance waivers must be reevaluated annually. Insurance should be required unless the activities of the PO are such that the risk of liability is negligible.

The government is not responsible for any claims that arise from the activities of the PO or its members.

As a member of this PO, you are jointly and severally liable for the obligations of the PO. The absence of liability insurance places your personal assets immediately at risk in the event of PO liability. Liability depends on the jurisdiction the PO operates in, but generally pertains to injury to persons and/or damage or loss of property.

Your understanding of these fact must be documented. Therefore, if you understand these facts, you must sign and date the roster below.
