MILITARY INTERSTATE
CHILDREN'S COMPACT
COMMISSION

Interstate Compact on
Educational Opportunity
for Military Children

COMPACT RULES

Adopted November 2009, amended 2012, 2018, 2022 and 2023

THIRD EDITION

Introduction

The goal of the Compact is to replace the widely varying policies affecting eligible military students. The Compact leverages consistency. It uses a comprehensive approach that provides a consistent policy in every school district and in every State that chooses to join.

The Compact addresses key educational transition issues encountered by military families including enrollment, placement, attendance, eligibility, and graduation.

Children of active-duty members of the uniformed services, National Guard and Reserve on active-duty orders, uniformed members of the National Oceanic and Atmospheric Administration and United States Public Health Services are eligible for assistance under the Compact. The children of members or veterans who are medically discharged or retired are eligible for assistance, for one year after leaving service, under the Compact. Finally, children of members who perish while on active duty are also eligible for assistance under the Compact for one year following the death of the service member.

The Commission Rules were approved and adopted at the Annual Business Meeting in November 2009. Additional amendments were made in subsequent year (ref. page 15) the Rules complement the language of the Interstate Compact and may not conflict with it; and have the force and effect of state statute. These rules are not designed to address every issue arising under the Compact but allow room for flexibility to make reasonable changes or clarification as the need arises through amendment, advisory opinions, and training opportunities.
